Mr. Jim Harper
Advanced Electrical Contractors, Inc.
13803 Miles Farm Lane
Clear Spring, MD 21722

Dear Jim,

We are pleased to endorse your firm for the many years of outstanding service that you have performed on our various projects. As a general contractor specializing in medical facilities, we seek out the best qualified subcontractors in each individual trade. Advanced Electrical has always distinguished itself as a firm without equal in the delivery of all aspects of the electrical profession.

Your employees are among the most professional and well-trained that we encounter, and they are always a pleasure to work with. They arrive ready to perform their tasks every day, and there seems to be no limit to their ability to execute even the most difficult project.

The Advanced Electrical administrative operations are friendly and efficient, and always a pleasure to work with. The organization that you have built is something that is quite impressive.

Thank you for the opportunity to express our thoughts on the experience of working with your firm, and we look forward to many successful projects in the coming years.

Sincerely,
